

May 5-7

WENZEL ONLINE EXPO 2020

Personal Invitation

Dear Sir or Madam,

Experience the trade fair feeling up close!

From May 5th to 7th we open the digital gates of our virtual fair "WENZEL EXPO 2020" for our customers and interested parties from all over the world.

You can visit our online fair - via your PC as well as your smartphone or tablet.

WENZEL brings its measurement technology specialists directly to your desk and presents

- Numerous product innovations
- Global WENZEL service and partner network
- Live webinars and product demos
- Interactive expert chats

Convince yourself of the efficiency and variety of the WENZEL portfolio and learn more about the worldwide WENZEL network. Our measuring machines and our software will be demonstrated in live demos. Our experts are available to answer your questions in numerous webinars and online chats.

Use the advantages of an international trade fair with global knowledge transfer and worldwide networking!

Simply register [here](https://wenzel-expo.expo-ip.com/), log in and participate online in presentations or chat with experts from all over the world at our exhibition stands.

We look forward to your visit!
